Dear Mr. Todman

Our country could not be served better abroad than by the Peoples Temple Church in Guyana. Their efforts in agriculture just received high praise by 18 visiting agricultural experts, who were astounded at the progress in such a short time. It is despicable that a new false witness against the Peoples Temple, Mrs. Layton, claimed everyone ~~eats~~ only "rice sent from Georgetown." But the lies being told are so clear that surely the work will now be able to move ahead in peaceful progress.

Please get your full support behind this wonderful effort in Guyana.

Yours truly,
